Page 5 of 6 of January 22, 2008 Amendment Under 37 C.F.R.
§1.312

REMARKS

Claims 55 to 61, 73 and 74 have been allowed in the subject application. Applicants have amended claim 56 under 37 C.F.R. §1.312 to reflect amendments to the claim authorized by the undersigned in a November 19, 2007 telephone interview with the Examiner. Applicants maintain that this Amendment under 37 C.F.R. §1.312 raises no issue of new matter and respectfully request entry of this Amendment under 37 C.F.R. §1.312. After entry of this Amendment under 37 C.F.R. §1.312, applicants maintain that claims 55 to 61, 73 and 74 are allowable.

During a November 19, 2007 telephone interview between the undersigned and the Examiner the undersigned authorized amendments to claims 55, 57, 73, and 74. Applicants contend that claim 56 including the word "or", *inter alia*, may be found in previous amendments which were mailed to the United States Patent and Trademark Office on June 26, 2006 and August 31, 2007, but was erroneously excluded from the Examiner's Amendment. In accordance with the authority given to the Examiner in the November 19, 2007 telephone interview with the undersigned, applicants hereby respectfully request the entry of the Amendment under 37 C.F.R. §1.312.

If a telephone interview would be of assistance in advancing consideration of the Amendment of the subject application under 37 C.F.R. §1.312, applicants' undersigned attorney invites the Examiner to telephone him at the number provided below.
